Why CERAVISION?

CERAVISION brings together top experts and professionals in Enterprise Risk Management to provide you with a wealth of knowledge and insights.

Here's what you can expect:

1☐ Presentations from leading ERM practitioners

Gain invaluable insights from five industry-leading ERM practitioners. They will share their experiences, best practices, and the latest trends in Enterprise Risk Management.

- AI in insurance
- Managing climate change risks in insurance
- Integrated Risk Reporting Framework – making resilient decisions in a VUCA world
- Stressing simulation models through scenario weighting: the SWIM approach
- The Risk Adjusted Scenario Set (RASS)

2▣ Panel discussion on professionalism through an ERM lens

Engage in a stimulating discussion on the importance of professionalism within the context of ERM. Learn from experts as they delve into the ethical aspects of risk management.

3▣ High-quality and topical CPD

Attendees of CERAVISION will receive Continuing Professional Development (CPD) credits. This is an excellent opportunity to enhance your skills and knowledge while advancing your career.

4▣ Networking opportunities

Connect with fellow CERA holders and actuaries who share your passion for Enterprise Risk Management. This is a fantastic chance to expand your professional network.

5▣ It's free to attend

CERAVISION is entirely free to attend. We believe that knowledge should be accessible to all, and this event reflects our commitment to the profession and global CERA community.
